

Air Compressor Rental

HIRE AIR - Air Compressor Rental

HIRE AIR from Active Air Solutions in partnership with HPC Compressed Air Systems, the UK's most respected supplier of compressed air products and services, provides an unbeatable Air Compressor Rental service at competitive rates.

Our customer commitment is a guarantee that you will receive a fast, professional and friendly service supported by experienced personnel and the best equipment.

Are you looking for an interim solution for your compressed air or blower station? Whether you need the equipment for a short time or over a longer period, HPC HIRE AIR offers compressors, portable air and additional components such as compressed air treatment products for rental. Solutions are available for all industries requiring compressed air in the low pressure (up to 1 bar), medium pressure (up to 10 bar) and high pressure ranges (42 bar).

Advantages:

- ✓ **Competitive rates** - cost effective rates and excellent value from a supplier you can trust
- ✓ **Nationwide coverage** - through HPC Regional Centres or direct through Active Air Solutions, your local HPC Authorised Distributor
- ✓ **Guaranteed delivery** - peace of mind that your equipment will be available when required
- ✓ **Guaranteed air quality** - equipment and packages that deliver to every demand
- ✓ **Speed** - bridging solutions can be organised at short notice
- ✓ **Security** - take the time to consider and make an investment decision

- ✓ **Flexibility** - short-term or longer term options are available
- ✓ **Risk mitigation** - short-term adjustments are possible to accommodate interim fluctuations – without investment costs
- ✓ **Minimal downtime** - short-term bridging solutions are possible

From individual compressors to complete compressed air package solutions, our innovative and reliable equipment meets the varied and demanding compressed air requirements of all UK industries.
